

Supply Chain & Logistics

The Supply Chain & Logistics diploma program at triOS is 50 weeks. It includes a 16-week internship.

The Supply Chain & Logistics sector is one of the most essential and thriving sectors of the Canadian economy. Nearly all companies rely on supply chain and logistics professionals to source, produce, purchase and coordinate the delivery of goods and services in today's marketplace, and the need continues to grow.

For those looking to find an exciting and in demand career in an industry that needs trained workers, a diploma program in Supply Chain & Logistics at triOS is the right move.

Employers Who Have Hired triOS Grads

"It was an amazing experience. I went to University at first and I thought school wasn't for me. I tried triOS and believed I could do school again. The staff were so willing to help me succeed and so friendly. I love my new program and am so grateful to the knowledgeable and enthusiastic instructors! I now have a job I enjoy going to!"
